FOUNDATION

Dear Mozilla Corporation,
I love you. This letter is an assignm
health class. We needed to write a lett
who has made an impact on your life.
From speeding up my connection, making me
secure, or just freeing me from Microsoft. I

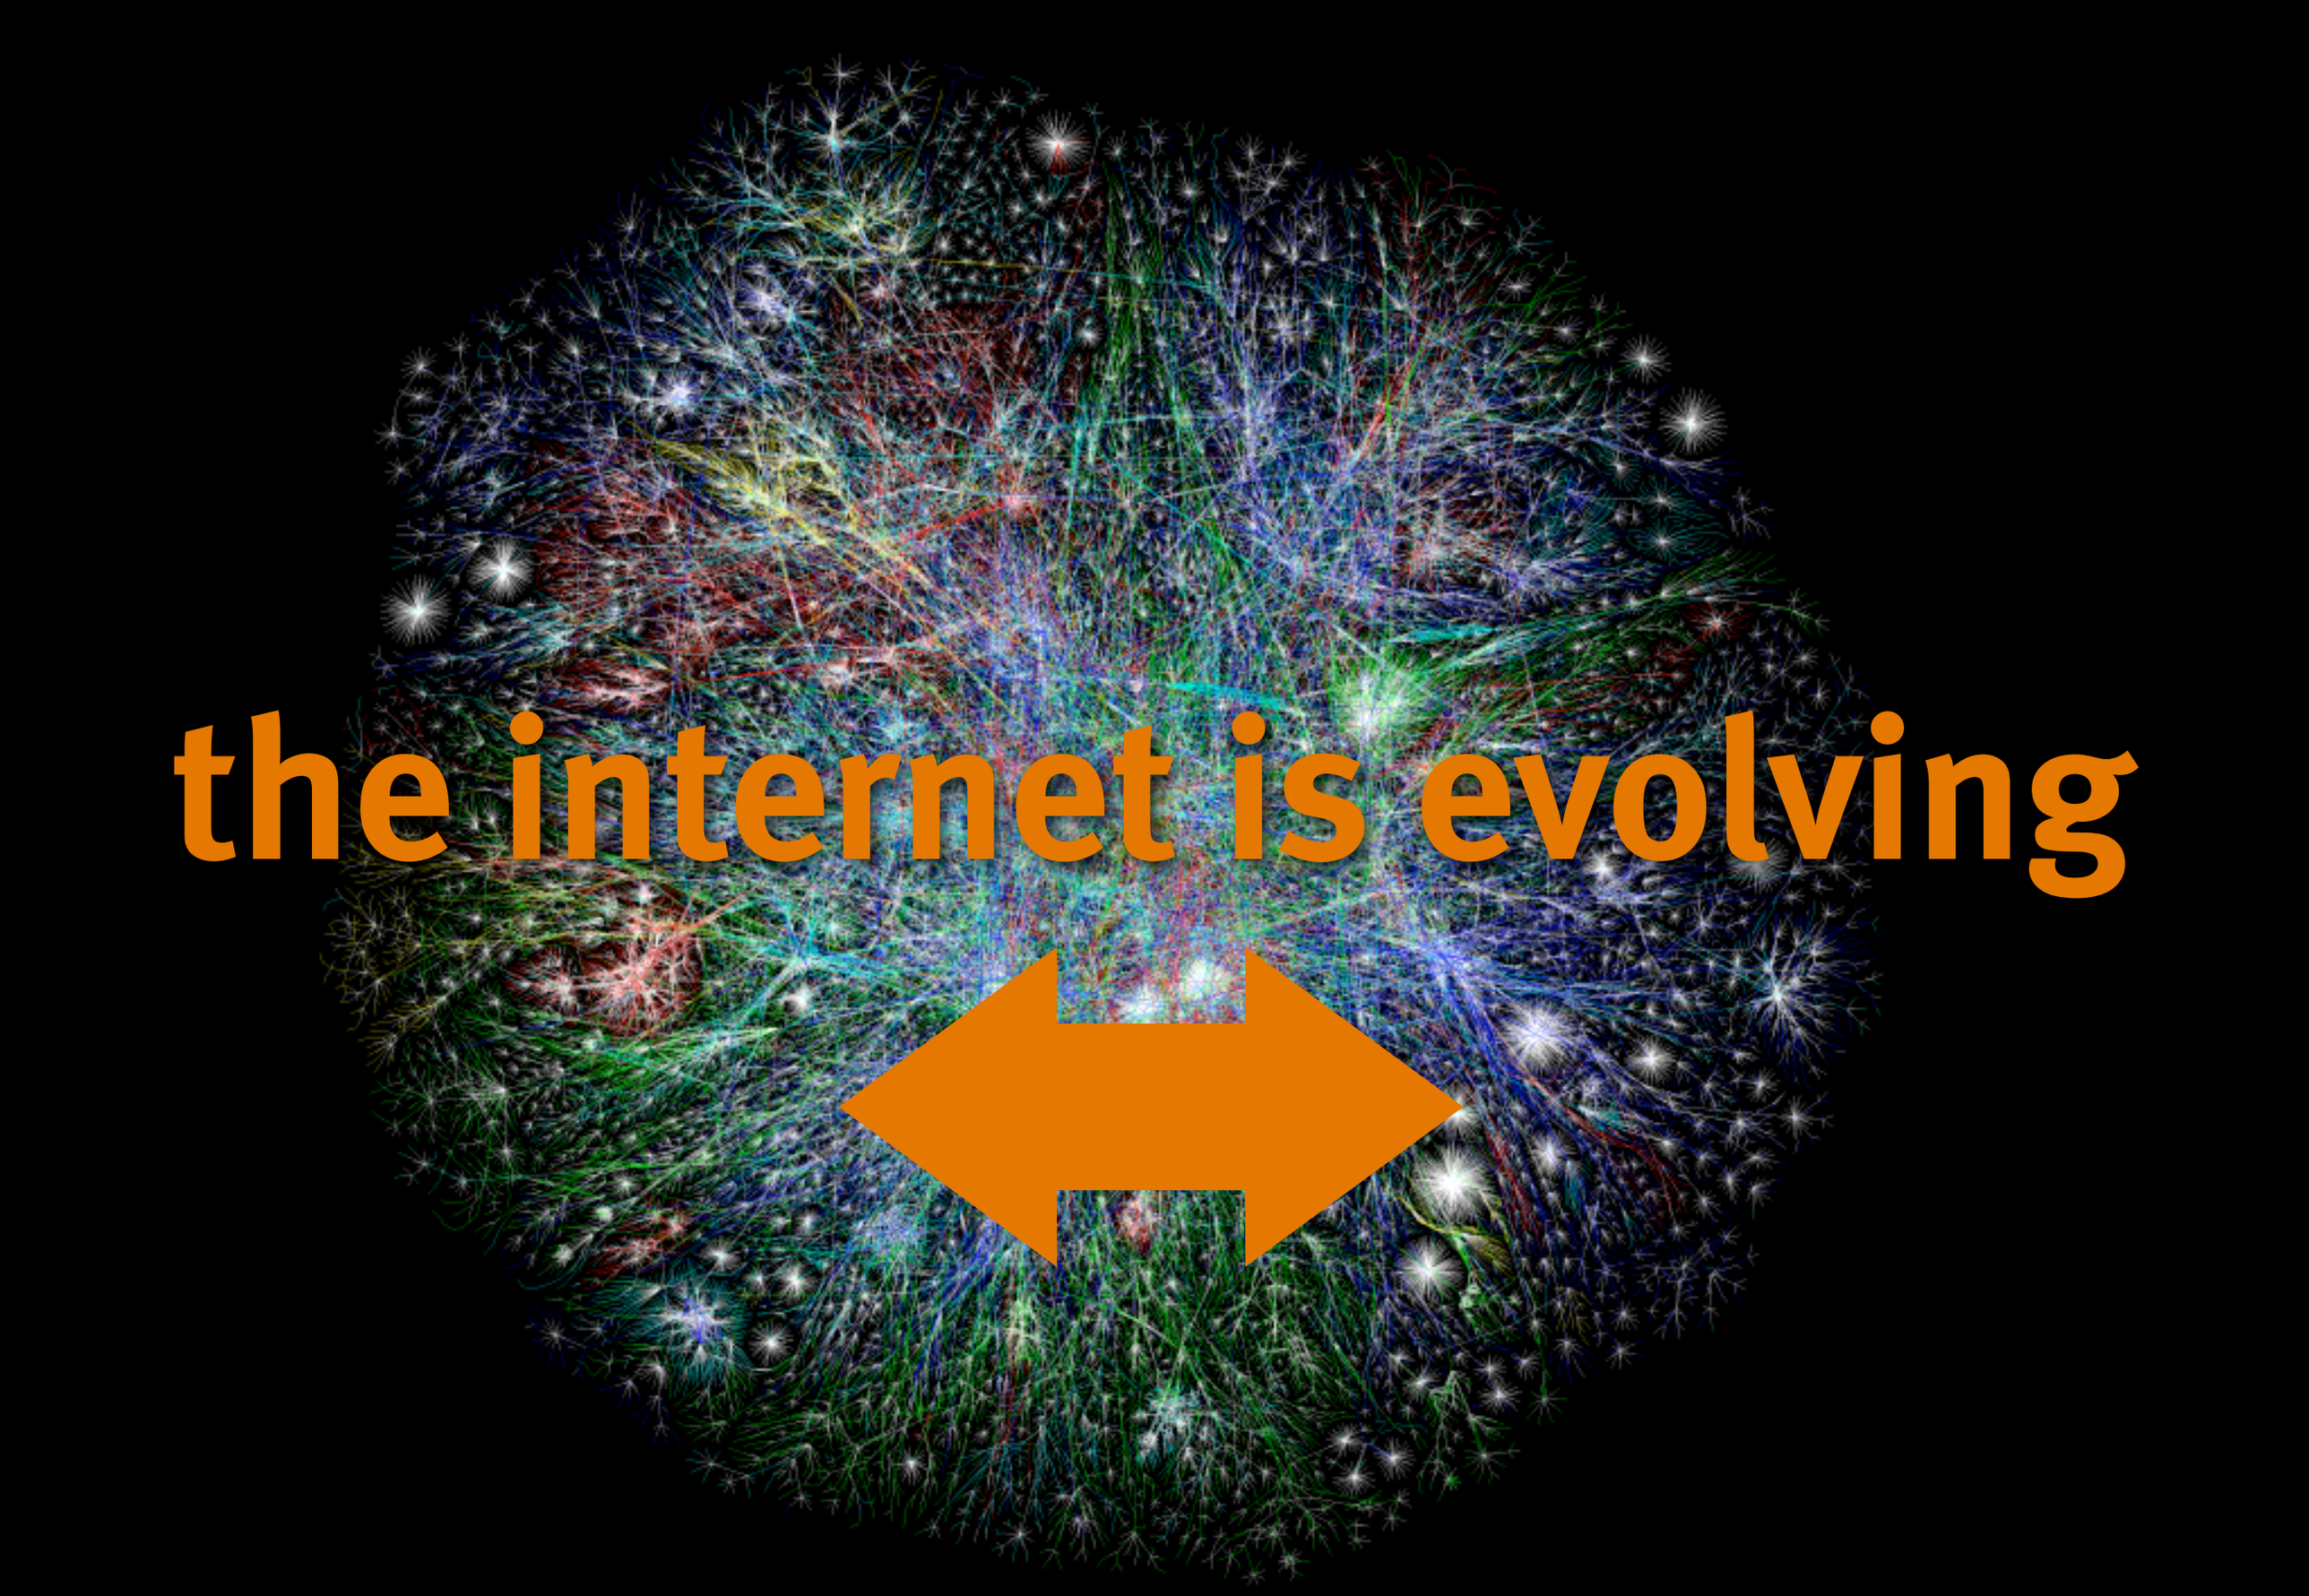
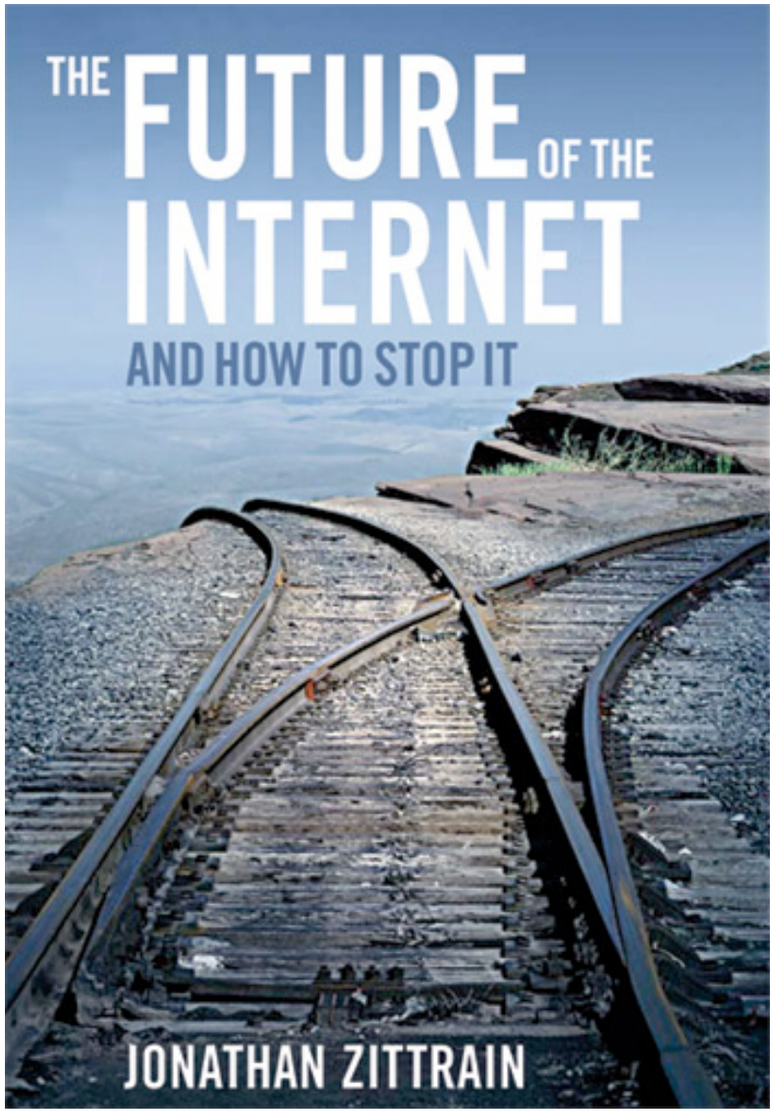
open video
open standards
accessibility
open data
open education
identity
open government
digital literacy



the internet is evolving



the internet is **generative**

open, participatory, distributed, remixable, evolving

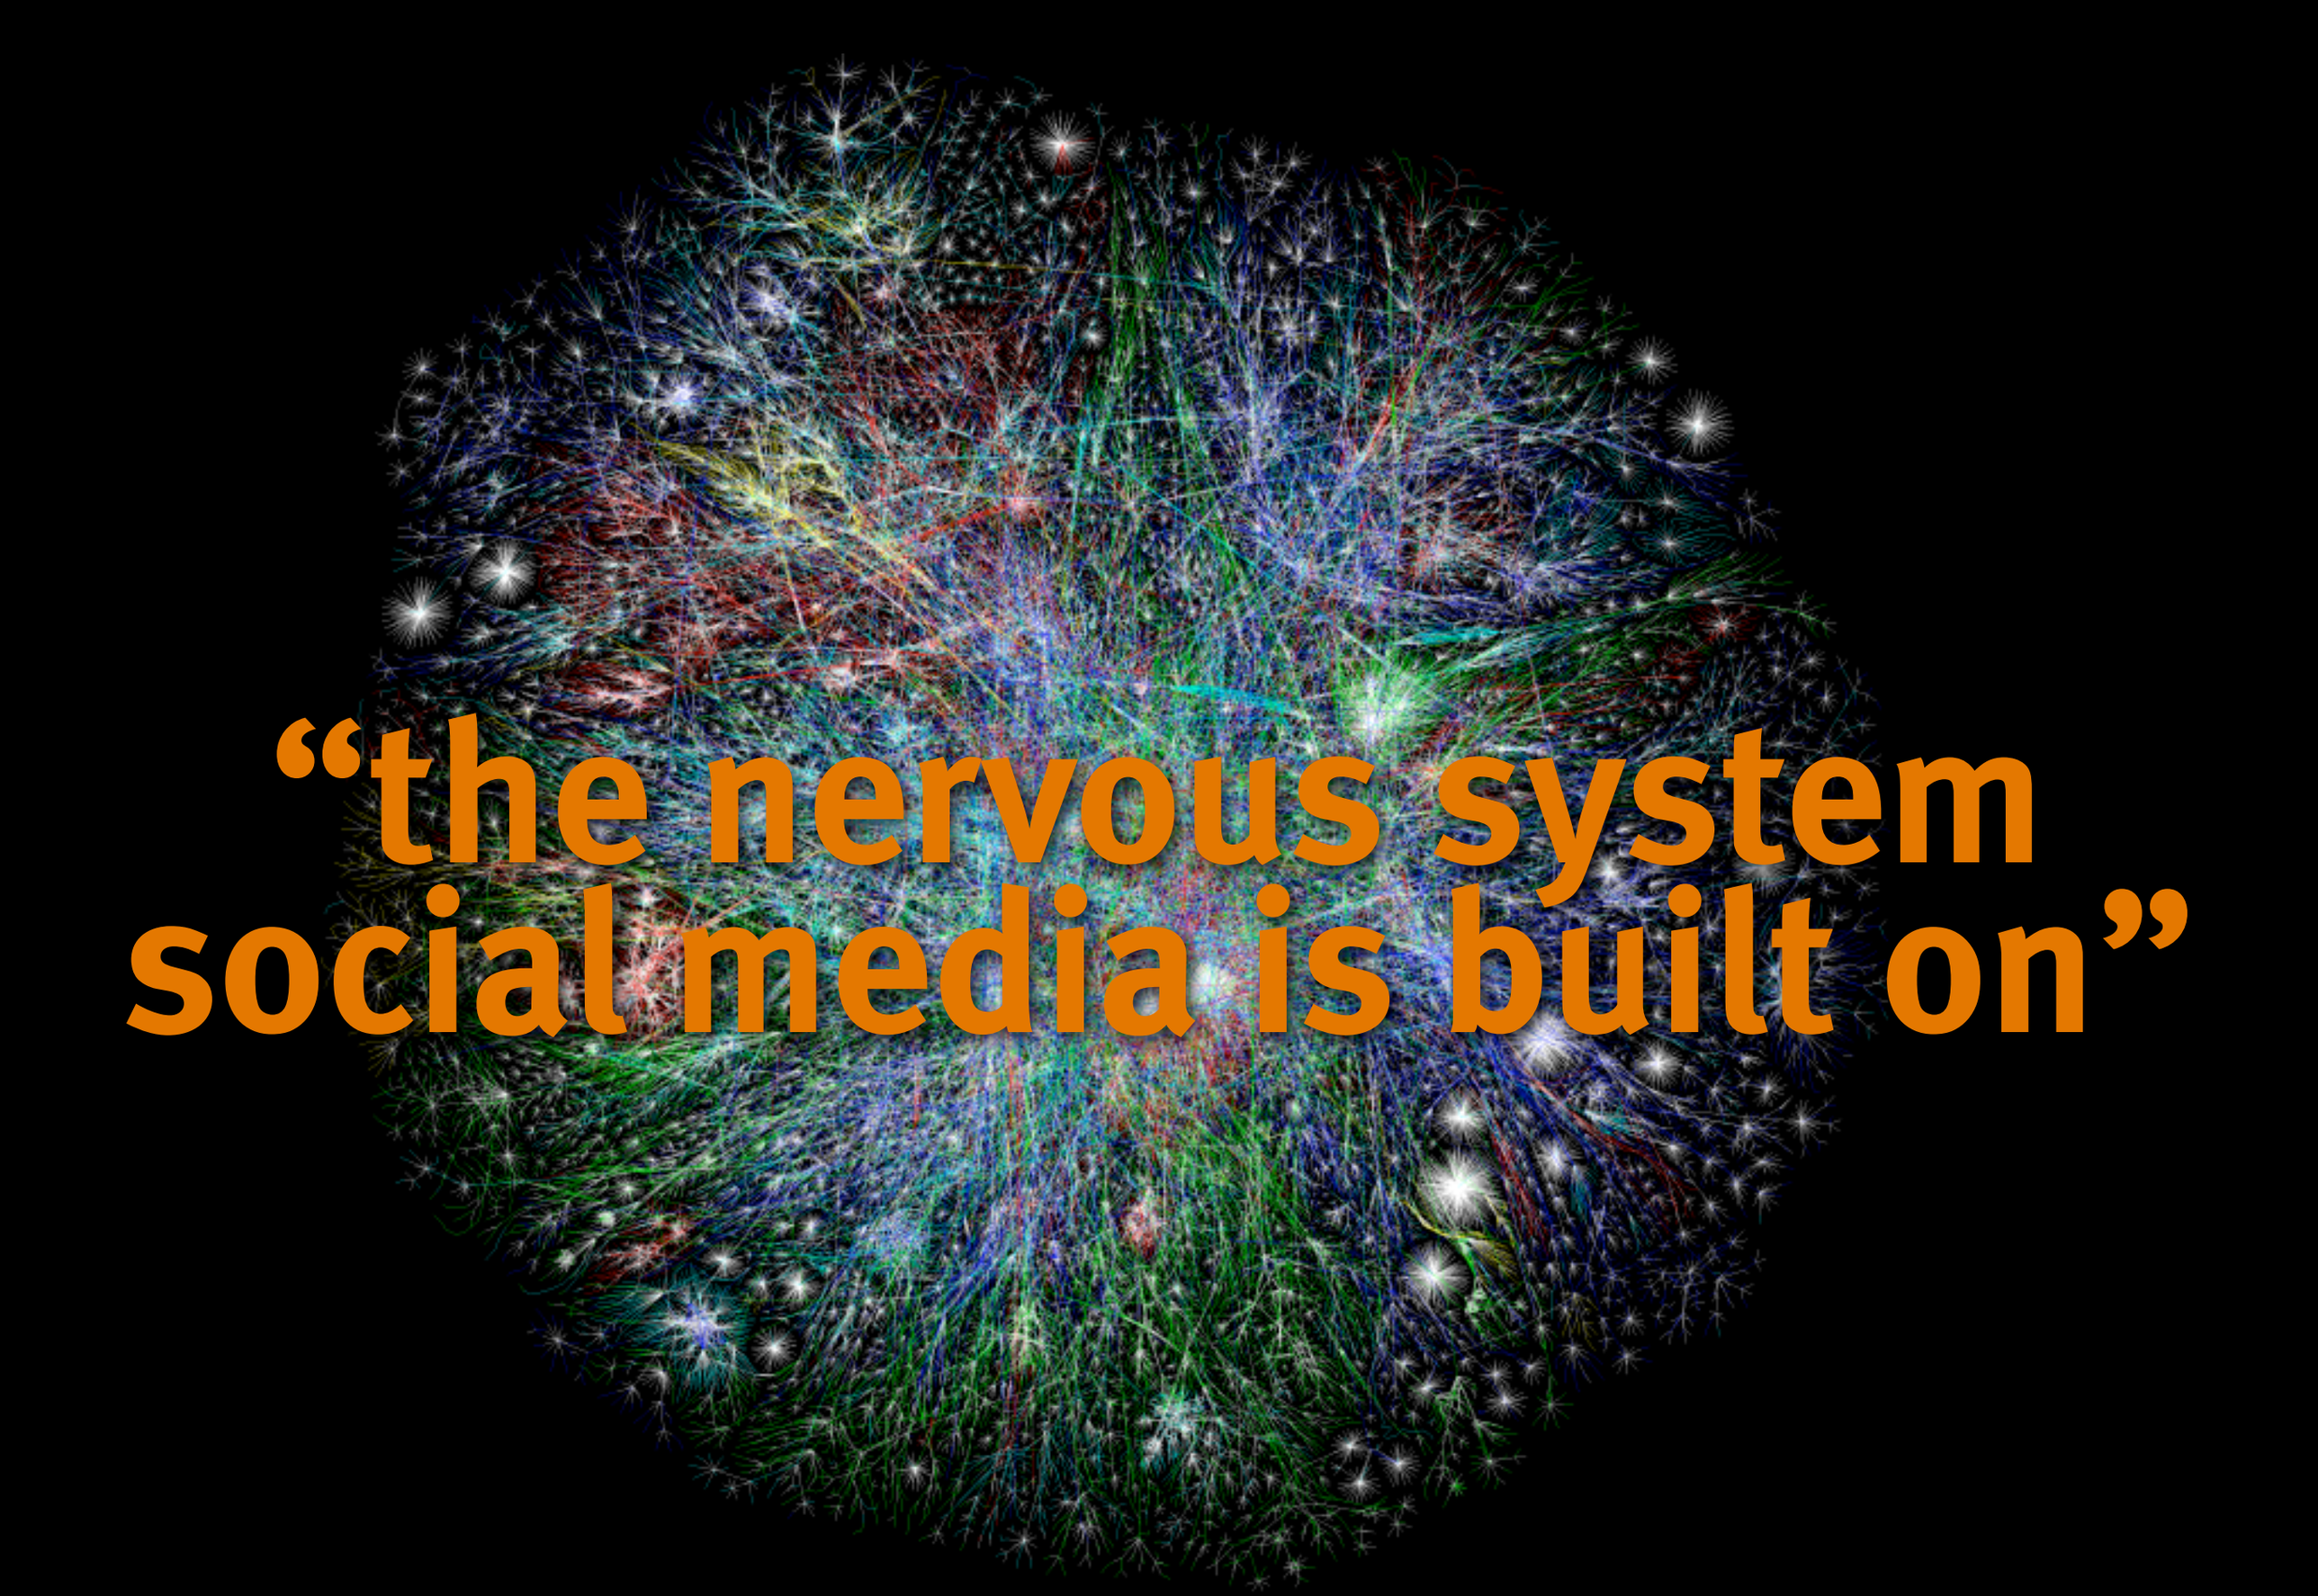
"The Internet was designed with no gatekeepers over new content or services.

Its "open architecture"encourages
"permissionless innovation"

“When I invented the Web, I didn't have to ask anyone's permission.”

“digital preservation”

“the anatomy of a tweet”



“the nervous system social media is built on”

innovation,
accessibility &
preservation

consolidation, walled gardens, lost opportunity

preservation?
